DART Transportation

The State DART Transportation website information is in the process of being updated at the time of the Delaware DisABILITIES HUB website launch. This is the information we have available to us. Our site will be updated as DART's updates are finished.

DART

DART has a variety of services available throughout the State of Delaware. For additional information visit DART's website at www.dartfirststate.com

- **BUS – Fixed route buses** travel along a specific route with vehicles stopping to pick up and deliver passengers to specific locations; each fixed-route trip serves the same origins and destinations

DARTCards can be purchased from any DART First State transportation store, fare card outlet, online and by mail or phone from DART First State. For more information on how and where to purchase DARTCards, call 800.652.DART(3278). A DARTCard can be used statewide on all bus services except paratransit demand response.

DARTCards are used just like cash, and cannot be replaced or refunded by DART First State if lost, altered, stolen, or misplaced.

A DARTCard can be used to purchase a daily pass on the bus, or to pay on a per ride basis. If you ride more than 2 buses per day, purchasing a daily pass is your best value. When buying a daily pass on the bus, inform the driver prior to inserting your DARTCard into the farebox. A Daily Pass is not transferable to another person.
